

Back to School Campaign

Fauquier County Schools officially open on August 30th. The Fauquier County Sheriff's Office will have extra patrols on hand to monitor speed and reckless driving in and around random school zones. Please take extra caution to obey the posted speed limits and traffic laws.

Parents with children driving to and from schools should caution their young drivers of the extra traffic on Fauquier roadways before and after school.

Let's hope we all have a safe and uneventful back to school on our highways.

Deputy Sheriff's will display "Schools Open" bumper stickers as a reminder to Fauquier motorists.

Authority: Sheriff Charlie Ray Fox, Jr.
